

SENIOR GRAPHIC DESIGNER | BOSTON

THE POSITION

Neoscape is seeking a senior designer with +5 years of agency experience for a freelance-to-permanent position in our Boston studio. We brand across print, screen and spaces; we do it collaboratively, passionately, thoughtfully and quickly. Extremely process driven, we are constantly looking to one-up ourselves. We strive to produce uniquely designed campaigns for our clients through listening, digesting, questioning and resolving.

REQUIREMENTS

- Has great experience in brand design principles & process, graphic systems, typography, and visual composition across multiple platforms.
- Shows originality - doesn't rely on trends to do the work, thinks beyond what is already out there.
- Has a passion for understanding the client and their business to come up with the best design solutions to fit them and their needs.
- Is a strong, proactive leader - both on projects and interacting with team members.
- Supports and mentors junior designers / talent across the studio.
- Is highly professional and has excellent communication skills, in every way.
- Is very organized and efficient with time management, understands the value of planning according to timelines and budgets and flexible when there is a need change the game plan.
- Is excited to be challenged, to add to a team dynamic, to come up with unique solutions and show flexibility when given feedback.
- Is very proactive, always looking for ways to better the design department and Neoscape as a whole. Upbeat, vocal, positivity and a lack of ego.
- BFA in Graphic Design and 5+ years professional experience, preferably in an agency setting.

ABOUT NEOSCAPE
