

3D Architectural Artist | Boston

The Position

Neoscape is a pioneer in the world of visual storytelling, and we are looking for a 3D architectural artist with an inventive spirit who can grow, inspire, and be inspired by our team and clients in a highly collaborative environment. The ideal candidate must be proficient in all aspects of digital rendering using industry standard programs to translate a designer's insights into sophisticated, photorealistic visualization by modeling, texturing, lighting, and animating architectural buildings and scenes. You're a go-getter who collaborates and communicates well across teams, and your insatiable drive to expand your creativity shows in the excellent work you produce. This is a full-time, in-house position in our Boston studio.

A Typical Day Includes

- Creating high-end, sophisticated digital renderings and animations for clients in the real estate industry including developers and architects
- Collaborating with other teams (film, graphic design, interactive) across three studios to provide creative solutions and support for projects both internal and external
- Working on multiple projects with changing requirements, updated client requests, and tight deadlines

Your Skills

- Advanced knowledge of Autodesk 3ds Max, V-Ray, Photoshop, and Adobe Creative Suite
- Experience with After Effects and post-processing software
- Excellent design skills and a strong foundation in visual storytelling
- Ability to manage multiple tasks, priorities and workload effectively to meet all schedules and deadlines
- Willingness to jump in and help wherever it is needed, even if it's out of your comfort zone
- A strong desire to learn and improve your creative process balanced with a passion for teaching
- Minimum 2 years of experience creating high-end, luxury renderings for architecture and real estate, preferably in a creative agency environment
- Photography experience
- B. Arch (or higher) degree

We Offer

- A competitive compensation and benefits package including 401k with the potential for profit sharing contributions
- Health insurance with a 65% employer-paid premium
- Flexible spending accounts
- Summer Fridays
- Life and long-term disability insurance
- Transit subsidy
- A well-stocked kitchen...fruit, bagels, snacks, coffee, beer and wine
- Epic parties with bonfires, photo booths and indoor petting zoos (we have the pics to prove it)
- 80+ unique personalities with a broad range of creative talents across three studios

Join Our Crew

Think you're a rock star archviz artist that has what it takes to join the ranks of our talented crew? Email us your résumé, a list of three things that set you apart from the pack, and a portfolio link with your best work to 3Dboston@neoscape.com. Salary is commensurate with experience. Must be eligible to work in the US.

External and internal applicants, as well as position incumbents who become disabled as defined under the Americans with Disabilities Act, must be able to perform the essential job functions (as listed) either unaided or with the assistance of a reasonable accommodation to be determined by management on a case by case basis.
