

## 3D Architectural Artist | Berkeley

### The Position

Neoscape is looking for talented 3D architectural artists to create inspired, photorealistic renderings and animations by modeling, texturing, lighting, and animating architectural buildings and scenes. The ideal candidate must be proficient in all aspects of digital rendering using industry standard Autodesk 3ds Max, V-Ray, and Photoshop to translate a designer's insights into sophisticated marketing imagery. Experience with AutoCAD, SketchUp, Adobe Premiere, and After Effects is a plus. This is a full-time, in-house position in our Berkeley, CA studio.

### Requirements

- Advanced knowledge of Autodesk 3ds Max, V-Ray, Photoshop, and Adobe Creative Suite
- Minimum 2 years of experience creating high-end, luxury renderings, preferably in a creative agency environment
- Experience with photography
- Experience with After Effects and post-processing software
- Creative thinking with artistic instincts
- Experience handling several projects with changing requirements, client requests, and tight deadlines
- Good project and time management skills
- Graduate of an architecture, graphic arts, or related program

### We Offer

- A competitive compensation and benefits package including 401k with the potential for profit sharing contributions
- Health insurance with a 65% employer-paid premium
- Unlimited Vacation
- Summer Fridays
- Life and long-term disability insurance
- Transit subsidy and easy access to Ashby BART station
- Backyard garden for use throughout the day
- BBQs and frequent outings to baseball games
- Local farmers market steps from the door
- 80+ unique personalities with a broad range of creative talents across multiple studios
