

NEOSCAPE

The Position: 3D Architectural Artist

Who You Report To: Production Art Director

Job Type: Full-Time (Boston or NYC)

Date: March 2026

FLSA: Exempt

The Position:

Neoscape, Inc. is a pioneer in the world of visual storytelling, and we are looking for a 3D digital artist with an inventive spirit who can grow, inspire, and be inspired by our team and clients in a highly collaborative environment. The ideal candidate must be proficient in all aspects of digital rendering using industry standard programs to translate a client's vision into sophisticated marketing imagery. You're a go-getter who collaborates and communicates well across teams, and your insatiable drive to expand your creativity shows in the excellent work you produce.

This is a full-time, hybrid position. You will be expected to be in the office at least twice a week (aligned with the specific studio's schedule, and WFH the other days of the week). The ideal candidate will be working with a manager and team but must be able to self-supervise.

A Typical Day Includes:

- Creating high-end, sophisticated digital renderings and animations for a wide range of clients
- Collaborating with other teams (film, graphic design, interactive) across three studios to provide creative solutions and support for projects both internal and external
- Working on multiple projects with changing requirements, updated client requests, and tight deadlines

Your Experience:

- Working on multiple projects with changing requirements, updated client requests, and tight deadlines

NEOSCAPE

- Advanced knowledge of Autodesk 3ds Max, V-Ray, Photoshop, and Adobe Creative Suite
- Experience in film and animation
- Excellent design skills and a strong foundation in visual storytelling
- Ability to manage multiple tasks, priorities and workload to meet all schedules and deadlines
- Willingness to jump in and help wherever it's needed, even if it's outside of your comfort zone
- A strong desire to learn and improve your creative process balanced with a passion for teaching
- Experience creating high-end, luxury renderings, preferably in a creative agency environment, is a bonus
- Photography experience
- Familiarity with AI platforms such as: Nano Banana, Gemini, Midjourney, Veo and Runway
- Familiarity with Unreal and other real time programs
- Degree in architecture, graphic arts, or related field

We Offer:

- A competitive compensation and benefits package including 401K with the potential for profit sharing contributions
- Comprehensive health, dental and vision insurance
- 60+ unique personalities with a broad range of creative talents across three studios

To Apply:

Think you're a digital artist rock star that has what it takes to join the ranks of our talented crew? Email us your résumé, a list of three things that set you apart from the pack, and a portfolio link with your best work.

Salary is commensurate with experience. Must be eligible to work in the US.

External and internal applicants, as well as position incumbents who become disabled as defined under the Americans with Disabilities Act, must be able to perform the essential job functions (as listed) either unaided or with the assistance of a reasonable accommodation to be determined by management on a case-by-case basis.
